# PROGRAMME OVERVIEW

- **15-hours of lessons:** Your morning English lessons\* will take place at our prestigious training centre in Holland Park, where the average age of our clients is over 40. You'll learn about and discuss the places you'll be visiting on the day.
- **Afternoon Excursions:** Visit iconic and historic sights such as the Tower of London, The Shard, famous museums and Buckingham Palace... but also parts of **Hidden London**, which most visitors would never discover! These will be an extension to your morning lessons and during this time you will be immersed in the English language.
- **Evening Social Programme:** We have social events planned, out and about in London, throughout the programme. You and the others on your course will have the opportunity to explore London, socialise, make new friends and practise your English with our staff accompanying you.
- **Travel included:** Once you've arrived at the school, your travel during the programme is included in the package. We'll escort you on excursions and to events so you don't have to worry about navigating the transport network.

**\*Note:** If you choose one of our published 50+ start dates, you will be in classes with a minimum age of 50. If you wish to come at other times, the morning classes will be with clients who could be younger than 50 (average age is 40), but the activities programme will still be 50+.
