Who is it for?

This course is designed for newly qualified lawyers and law students aged 20-30. Typically, course participants need to develop their speaking and writing skills to help them communicate complex legal ideas and concepts to partners, clients and colleagues in a variety of formal and less formal situations including meetings, negotiations, and networking events.

On completion of your Legal English course 20-30, you will continue with a formal Legal English qualification with the [TOLES \(Test of Legal English Skills\) exam preparation course](#).

Course content

This legal English course focuses on developing your English skills in a legal setting, and the vocabulary of criminal law, civil law, contract law, and commercial law. Areas of focus include:

- Spoken fluency – case studies, legal process, negotiations
- Legal vocabulary – relating to commercial law, contracts, describing legal concepts
- Grammar development
- Listening practice and comprehension
- Communication skills – discussions, negotiations, conflict resolution, dealing with difficult situations
- Teleconferencing and Spoken communication
- Contract drafting techniques
- Networking English – hospitality, travelling, inviting, advising, apologising.
- Visits to the law courts such as The Royal Courts of Justice or the Old Bailey when possible

Benefits

By the end of the course, you can expect to have gained:

- Communicate more confidently and spontaneously in a legal setting
- Communicate more accurately in a legal context
- Use specialised legal terminology more effectively
- Write more effective legal texts
- Participate more confidently in meetings and negotiations
- Have deeper understanding of international legal systems
- Have improved your networking skills
